### HOTEL BELLECLAIRE

NEW YORK

Broadway at 77th St.  
Subway at 79th St.  
Only a few minutes from the Shopping and Theatrical District.

A street car conductor—a philosopher—said to a passenger who complained about the weather as he got on his car: "Oh, forget it; the Fourth of July will soon be here."

That's our theory about the conditions we have all faced during the past few months. Meet them, that's all, and turn your thoughts to the good things that are bound to come along.

For instance, here we are in the first month of Spring, which is not the best month, but April will soon be here and so will May and then June with its roses. Don't you begin to scent the roses even now?

The Belleclaire adjusts itself to all conditions—faces them with optimism—and provides comforts for its guests in a way to make them feel that the sun is always shining—that everything is happening just right always.

Good cheer, hospitality, cordiality, prompt and pleasant service, and Good Home Cooking make the Belleclaire a real home.
